CAREER OBJECT

Full-Stack Web Developer proficient in MERN stack and Next.js. Skilled in RESTful API design, authentication, cloud databases, and dynamic web interfaces. Certified by Programming Hero with strong expertise in JavaScript (ES6+), modern web architecture, and full-stack deployment.

TECHNICAL SKILLS

- **Languages:** JavaScript (ES6+), Next.js, HTML5, CSS3, Tailwind CSS, DaisyUI, HeroUI
- **Frameworks & Libraries:** React, Node.js, Express
- **Databases:** MongoDB, MongoDB Atlas, MySQL
- **Cloud & DevOps:** CI/CD, GitHub Actions
- **Tools & Technologies:** Git, REST APIs

KEY PROJECTS

TicketHub — Online Ticket Booking Platform

[Github](#) | [Demo Link](#)

- Tech Stack: Next.js, Node.js, Express.js, MongoDB, Stripe API, Recharts
- Engineered a multi-role ticket booking system with RBAC for User, Vendor, and Admin workflows.
- Implemented dynamic search, filtering, pagination, secure auth, and Stripe payment processing.
- Built interactive analytics dashboards with Recharts to monitor sales metrics and revenue streams.

SMAGRO — Agriculture & Veterinary E-Commerce Platform

[Github](#) | [Demo Link](#)

- Tech Stack: Next.js, React.js, Node.js, Express.js, MongoDB
- Developed a full-stack e-commerce platform for dairy, poultry, livestock, veterinary medicine, feed, supplements, and agricultural products, with product browsing, cart, wishlist, authentication, and order management.
- Built a secure admin dashboard and RESTful API for product management, inventory control, image uploads, and MongoDB database integration.
- Designed a responsive modern UI/UX and deployed the Next.js frontend and Express.js backend on Vercel with MongoDB Atlas for cloud database management.

MediQueue — Tutorial Booking & Scheduling Platform

[Github](#) | [Demo Link](#)

- Tech Stack: Next.js, Node.js, MongoDB, Better Auth, JWT
- Developed a full-stack platform for tutorial browsing, session scheduling, and appointment booking.
- Integrated Google OAuth and credential-based authentication with Better Auth and JWT sessions.

EDUCATION

Master of Arts (M.A.) - National University (2017 – 2018)

LANGUAGES

- Bengali: Native English: Professional Working Proficiency
